

Clark Nelson

Developer and Designer, Software Engineer

Summary

Developing and designing web applications as a freelance developer for three years. I specialize in front-end development using modern javascript frameworks, but I also have experience in just about everything else that goes into a building a web app. I believe in simple interfaces that provide powerful functionality.

Education

DePaul Univeristy, Chicago Illinois

Graduated 2016 Bachelor of Science in Computer Science, Minor in Art and Design

Designation, Chicago Illinois

Summer 2014 Design and Development UX Bootcamp

Experience

Freelance Developer and Designer
