Summary

I have been developing responsive web applications for over five years. I specialize in front-end development using modern javascript frameworks, but I also have experience in devops and system development. I believe in simple interfaces that provide powerful functionality.

Education

DePaul Univeristy, Chicago Illinois

Graduating June 2016

Bachelor of Science in Computer Science

Designation, Chicago Illinois

Summer 2014

Summer Design and Development Bootcamp

Experience

Pixl LLC.
